Dear Commissioner:

John Kenneth Amick and Melodie Kleiman are the co-inventors of the above referenced patent. We hereby attest:

On 3/12/09, John Kenneth Amick received your Notice of Abandonment dated 3/9/09, stating that the above referenced application had been abandoned due to non-payment of the issue fee and publication fee.

We had not received written notice that the patent was being granted and therefore we were required to pay an issue fee and publication fee. A copy of our docket is enclosed, showing that we did not receive the written notice that the patent was being granted, along with a request for the applicable fees. A search of our file jacket and docket records indicates that the Office communication was not received.

APPLICANTS HEREBY PETITION TO WITHDRAW THE HOLDING OF
ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION,
PURSUANT TO MPEP 711.03(c) II and 37 CFR § 1.181.

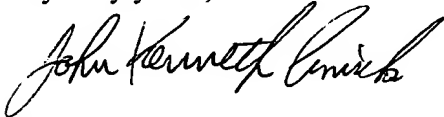

It is our understanding that no fee is required for this Petition.

The entire delay in filing the required reply was unintentional because we did not receive your request for payment of the issue fee and publication fee.

Please set aside the abandonment and send us the applicable notice with your request for fees. Please note: **we are a small entity** and therefore should be charged the small entity fees.

If you need additional information, please do not hesitate to contact us.

Very truly yours,
